### **HITTING IT BIG**

It seems to be commonly accepted nowadays that everyone wants to win the lottery, hit the slots big at the casino, or be a millionaire. This attitude is akin to what the first hearers of the parable of the successful farmer would have thought: Why, of course he'd want to find a way to preserve his good fortune for the future, to secure for himself a life of leisure, eating, drinking, and merriment. It's exactly the kind of life that the right ticket, hand of cards, or quiz show answer might bring us today. Being surrounded by this "common wisdom" makes the words of Qoheleth, the psalmist, Paul, and Jesus all that much harder to hear today. Perhaps good fortune will be ours, perhaps it will not be. But if we make that fortune or the quest for it the heart, the very center, of our lives, then we will live to regret it. We will not achieve the future security we pursue, and we will lose the present moment in the chase.
