GOD'S LAWS

God's laws are not intended to burden or torment us. Instead they are guideposts that point us in the direction of good living. Accordingly, good living requires loving God and loving one another. We should not follow God's laws out of fear of what might happen if we don't, but rather view them as a foundation for building relationships and trust with one another and with God.

The *Shema* prayer of Orthodox Jews is based on the reading from Deuteronomy today, "Hear, O Israel." Every morning people recite the prayer as a profession of their love for God and pledge their obedience to God throughout the day. They pass on their love of God to their children, from one generation to the next.

The Saint John of God Prayer

*Dear God, through the intercession
of St. John of God, patron of the poor and the
sick, grant me the grace this day to greet
every person that I meet with understanding
and compassion. Reveal to me their needs
and give me the means to inspire in my heart
the humility and generosity of St. John so that
I might be to them a revelation of God's Love.*

Amen. - Rev. Fr. Thomas L. Seagrave
