We Are Committed to ministering in the spirit of St. John of God, our patron- to- the –sick, to the patients at the University of California Medical Center, their families, hospital staff and faculty.

We are committed both in principle and in action to world peace and social justice.

We are committed to live by the principles of charity, transparency, justice and inclusiveness that spring from the heart of the Gospel, to call and challenge the Universal Church to do the same.
